

**CANDIDATE FOR TOWN COUNCIL MEMBER
TOWN OF APPLE VALLEY**

NAME: DARRYL EVEY

OCCUPATION: Biodiesel Distribution

As a business owner, entrepreneur and community leader, I have a track record of solving problems and achieving goals. The issues facing the Town of Apple Valley require leadership and an ability to stay focused on solutions – like completion of Apple Valley Road to Interstate 15. We must hold our standards high – growth should be planned yet balanced with our desire to maintain a rural feel. Apple Valley Road should not become the next Bear Valley Road.

As a volunteer in our schools, as a member and past-president of the Rotary Club of Apple Valley, and as a board member and past-president of Meals on Wheels, I'm actively helping community organizations serve the citizens of our community.

As a Town Planning Commissioner I have fought to maintain large lots, our rural lifestyle and high standards for new development.

My vision is that the Town of Apple Valley balance growth with a respect for the rural feel our community enjoys. I want my children to raise their children here. To achieve this, we need jobs, shopping and entertainment. We only get one chance to build our community and as your representative on the Town Council I plan to make Apple Valley the best community possible.
